### REMEMBER!

30-35 LAP AVERAGE. 35 LAP CAP.  
OUTDOOR FUN RUN TRACK = ABOUT 1/16 OF A MILE.

## PARENTS!

The Fun Run experts at Boosterthon are offering an exciting new challenge exclusively for our older students! Instead of participating in the same Fun Run as younger grades, our older students will get a brand new Color Run added to their run day. Prepare to have fun and get colorized!

Note: Students will be periodically colorized (powdered with color) while running. The experience is safe, fun, and designed specifically for older students.

## COLOR RUN DETAILS

- The color is made of safe, FDA/EPA approved corn starch.
- Students should be prepared to get messy during the run. It ends with an incredible color celebration!
- Face protection for eyes, nose, and/or mouth is optional (i.e. goggles, glasses, or bandanas).
- Students will be cleaned off after the run, but bringing a change of clothes is highly recommended.
- Adults will toss the majority of the color into the air during the run. Boosterthon recommends color thrown into the air, above heads, or from the chest down.

### OPTIONAL OPT-OUT

If you would like to opt-out your child from the Color Run experience, please check here and return to your homeroom teacher. (Students can still run in the regular Fun Run for the younger students.)
